BUSHNELL continues to be Foraker's banker.

The Republican campaign is experiencing "that tired feeling."

No Republican need fear bolting this fall. Was not Governor Foraker a bolter for five years?

Judging from the manner of Foraker's speaking this year there must be trouble on the old man's mind.

FORAKER refused to make speeches for Harrison, for McKinley and for S. M. Taylor for secretary of State.

Cox was very cunning when he chose Bushnell for his candidate. He wanted money, and that is all that Bushnell has.

The Foraker-Bushnell campaign has gone where the wood-bine twine. It was too weak a child to last the campaign out.

WARRER was Foraker, Cox, Bushnell, Kurtz & Co. when the lights went out for Rev. Bribe-Seeking Heifer in Darke county?

The Republican campaign in Ohio is like a game of chess. Dive Keeper Boss Cox is the expert player, moving Foraker, Bushnell and Kurtz at will.

REV. HOFFER, a fair sample of the average Republican member of the last legislature, went a-fishing for Democratic money, but, as he himself pathetically says, he holds the sack.

The U. S. Gov't Reports show Royal Baking Powder superior to all others.

JOSIAH KOLLER,
Candidate for State Senator.

Gov. Campbell Visits Napoleon.

Gov. Campbell, just up from a sick bed, visited Napoleon Monday.

The Democratic standard bearer arrived over the Wabash from Defiance in his special car at 10 o'clock a. m., and was greeted by hundreds of enthusiastic Democrats at the depot.

Hacks were in waiting for the distinguished visitor and those gentlemen who accompanied him, among whom were Hons. W. D. Hill and John Winn, Hon. Fred. Whiteley, Democratic candidate for Senator, and Mr. Falkner, special correspondent of the *Enquirer*, who has been assigned the pleasant duty of accompanying the Governor upon his triumphal tour over the State at this the close of his unprecedented canvass.

The conveyances, headed by the 16th Regt. Band, took up the line of march, and, followed by hundreds of citizens who lined both sides of Perry street, proceeded to the opera house. When the opera house was reached it was soon filled to overflowing, and as the Governor entered he was greeted with long and continued cheering.

As the stay of Mr. Campbell was limited, the meeting was immediately called to order by chairman Ragan, who introduced Judge Donnelly as President of the meeting. The Judge introduced Mr. Campbell in a few well chosen words, styling him as the next Governor of Ohio, which was received with cheers and applause.

The Judge, during his remarks, earnestly urged the Democrats to come to the polls on Tuesday next, stating that there were over nine hundred stay-at-home Democrats in Henry county last fall. He hoped this state of things would not exist this fall, but rather that the Democratic vote would be increased over that of any previous year.

When Governor Campbell arose he was greeted with hearty applause. It was plainly to be seen that Mr. Campbell was not a well man by any means, and that he spoke with much difficulty. He is just convalescing from a threatening attack of pneumonia and to save his strength as much as possible for the many speeches he has yet to make before the campaign closes, his remarks here were short, much to the regret of his hearers. But what he did say was full of meat and to the point. He was interrupted frequently with applause, and he aroused the enthusiasm of his audience to the highest pitch, and it was with regret when the Governor, through limited time and fatigue, was compelled to close his remarks.

At the close of Mr. Campbell's address, Hon. W. D. Hill, of Montana, "Old Bill Hill," the original, was introduced, who for a full half hour kept his hearers wrought up to the highest notch of enthusiasm and patriotism. As an off hand political speaker Mr. Hill has few equals, and as he is familiar with the political history of the country for the past half a century at least, his remarks were not only entertaining and interesting, but full of enlightenment and recollection.

At the conclusion of Mr. Hill's remarks Judge Donnelly introduced Hon. Fred. Whiteley as one of our next Democratic Senators. Mr. Whiteley spoke briefly, as the time for the departure of Gov. Campbell and party was more than up. He has made a favorable impression upon our people and he will receive more than his party strength in Little Henry when the votes are counted out in November.

The meeting then adjourned with three rousing cheers for our next Governor, after which the march to the depot was taken up, and in a few minutes our distinguished visitors were being carried Bowling Greenward as fast as steam would carry them, the run from Napoleon to Toledo being made in 32 minutes. Hon. C. L. Cole, of Bowling Green, met the party here, as a committee from Wood county to escort the Governor and his party to the capital of the neighboring county on the east.

This, the first and only Democratic meeting during the campaign, was a hummer, notwithstanding it occurred so early in the morning. The stage of the opera house was tastefully decorated with the U. S. colors and portraits of Cleveland, Hendricks and Campbell. The occasion will long be remembered by Democrats and citizens generally.

GEORGE B. COX will move up a peg should Bushnell become governor. From being boss of Cincinnati he will rise to boss of Ohio. Then when Foraker goes to the senate he will attempt to extend his operations to the United States at large.

A mysterious thing.

Ex-Governor Foraker is always in the campaign when he wants something himself. In other years he's busy.

BUSHNELL has been Foraker's financial backer for years. His money has kept Foraker in politics. Now it is Foraker's nerve and Cox's gall that keeps Bushnell in politics.

EX-GOVERNOR CAMPBELL seemed to have a few secrets of the Republican executive committee for the last five years "down fine," judging by his Cincinnati speech. Wonder where he got them?

BUSHNELL has contributed \$375,000 to the Republican committee to debauch the voters of Ohio. The money of Midas cannot carry Ohio for them this autumn, though. It's a Democratic year.

THE Toledo *Blade* is really scared over the great strength of Mr. Koller throughout the district, and especially over his strength in Toledo and Lucas county. Mr. Koller comes direct from the people, who intend to make him one of the Senators from this district, the *Blade* to the contrary notwithstanding.

We have Republican authority for the statement that Bushnell's contribution to the campaign is \$375,000, \$10,000 of which has been put in his home town of Springfield. But that doesn't break him. As his wealth is \$1,000,000, he will have just \$9,625,000 to enjoy in quiet of his home after his defeat for governor.

EVER since Campbell started his campaign he has been charging bribery in the last legislature. Republican orators and press shouted "Name a single man." Jimmy has responded by naming one—the Rev. Heoffer. Now half a hundred of them have their hands on their hearts and are waiting for "a dall thud."

HERE'S the Republican succession if the Republicans are successful: Governor—Asa Bushnell. Senator—J. B. Foraker. Governor '97—G. B. Cox. Senator '97—Asa Bushnell. How do the McKinley-Sherman Republicans like the outlook?

BUSHNELL'S boodle barrel has had the bung knocked out, and the Napoleon Republican bosses have their pockets full of the stuff, where it is likely to stay as there are but few voters to corrupt in this neck of the woods—this year. The people are unto the dark ways of the Republican bosses and they intend to down them on Tuesday next.

THE Toledo *News* is overdoing itself in its support of the Republican candidates for the legislature. Early in the campaign the *News* was on the fence, and we heard it said by more than one that it was open for bids. Can it be that some of the Bushnell-Foraker boodles has stuck to the pockets of the *News*. It looks quite suspicious, to say the least. It's zeal is giving it away.

HON. JOSIAH KOLLER, of Napoleon, Democratic candidate for State Senator, was here Wednesday, getting acquainted with the people. Mr. Koller was greatly pleased with the cordial manner in which he was received. He expressed great surprise at the beatings of Bowling Green and its rapid and substantial growth in the past few years. Mr. Koller conducts a flourishing mill and grain elevator, and is considered one of the leading business men of Napoleon. He created a very favorable impression here.—Wood County Democrat.

DEMOCRATS Beware of the Falsehoods that no doubt will be put in circulation by unscrupulous persons, for political purposes, on the eve of the election. The best evidence that such utterances are false, is in the fact that they are only uttered for political purposes and only by those who expect pecuniary benefit by having their lies believed.

A mysterious thing.

THE farmers don't like those legislative stealings.

Now is the time to get in the bandwagon, along with Jimmie Campbell and a Democratic general assembly.

DEVOTE one day to election, Democrats, and go to the polls and work for the Democratic State, district and county tickets.

If you are not in favor of ring rule vote the straight Democratic ticket by placing your X under the rooster. Down the Napoleon Republican bosses.

REPUBLICAN talk about big money going around among the Democrats is engaged in for the purpose of distracting attention from the BUSHNELL corruption fund.

JUST now, in the matter of state finances, Jimmy Campbell has got the g. o. p. leaders on the run, there is no hope of them being stopped until they land at the head-waters of Salt River.

HONESTY in politics as well as in your every day business, is the best criterion to go by. Don't believe what the pretended Republican Populists tell you, for their object is to get you to vote for Coxey while they will vote a straight Republican ticket.

WITH Bushnell's money flooding the state, with Bushnell's money sending Foraker to the senate, with Bushnell's money attracting George B. Cox, with Bushnell's money greasing Charlie Kurtz's whang-doodle machine at Columbus, with Bushnell's money paying for processions and fireworks, is it any wonder that poor old bribe-taker and bribe-seeker Heoffer became thoroughly demoralized?

REED from Maine has the call today for the Republican nomination for the Presidency. McKinley is not in it, but will have considerable strength in the convention on sentimental protection grounds. The Republicans admit it suicidal to stand upon a McKinley protection platform, and most of their leaders now acknowledge Reed as the most available candidate. But Czar Reed will never be President.

VOTERS of Henry county, Mr. Zarbaugh is an extremely unsafe man to send down to Columbus to represent you. Just as unsafe as he was for those men who recently invested their hard earned money in the Holgate creamery at his solicitation. The stock Mr. Z. got these men to subscribe was not only sacrificed to the extent of one hundred cents to the dollar, but the stockholders were compelled to pony up 50 per cent. additional to extricate themselves from the creamery wreck!

No, no, Mr. Zarbaugh is not a safe man and does not deserve the votes of the citizens of Henry county. Vote for Mr. Connolly, a young man born and raised in our midst, a successful farmer.

A mysterious thing.

THE Signal tries hard to play the innocent regarding the existence of a Republican ring of bosses in Napoleon. If the Signal is innocent, it simply not in it. The bosses have not taken it into their confidence, and in consequence it is floundering around in the dark as to their actions, and trying to convince the people that there is no ring of Republican bosses in Henry county. But the Signal has been quite careful not to deny that the Republican ticket is a slate ticket. The big bosses—to the exclusion of the Signal probably, made the slate, and at the recent Republican county convention the slate was not broken. Ask Weaver, Fisk or Musser if this is not true.

THE republican candidate for Representative is going over the county telling the people he would not have been a candidate had not prominent Democrats urged him to make the run. Democrats are not being hoodwinked by any such rot as that. For it is known by most everybody that Zarbaugh is the candidate of the Napoleon republican ring of bosses, and that he was upon their slate weeks before the convention which nominated him was held! The candidate of Democrats, forsooth! Zarbaugh is one of the most rabid republicans in the county and would not vote for a Democrat if his life depended upon it.

THERE are innumerable causes why citizens should not vote for Cleveland in preference to Mr. Hays, but one of the important reasons is that Mr. C. is not an up-to-date, progressive citizen, in fact he is opposed to improvement and progress. Take for instance the new railroad project. He did not help the cause to the extent of one penny! On the other hand, Mr. Hays has not only subscribed liberally to the improvement but has given much of his time and energy to securing the right of way.

The same can truly be said in the cases of the Republican candidates for Representative and Commissioner—Zarbaugh and Weakly. Neither has given one penny towards the procuring of the railroad for Henry county, and neither has spent one minute of his time to help the project along. How different it is with our Democratic candidates for these offices. Mr. Connolly and Mr. Burr have both subscribed liberally to the railroad, and both are progressive citizens.

And thus we can take the whole list of candidates through, Democrats subscribing their money and giving their time to this new project, while the Republican candidates have given up no aid whatever, with the exception of one.

Voters, cast your ballots for the progressive, up-to-date men in preference to drones and hold-backs.

A mysterious thing.

"GENERAL" COXEY

Makes His Weekly Report to Republican Headquarters.

(Special Dispatch to the *Enquirer*.)

COLUMBUS, Ohio, October 26.—"General" Jacob S. Coxey, Populist candidate for Governor, held his weekly conference with Chairman Kurtz, of the Republican State Committee, in the early hours of this morning. Coxey's latest and signed away early. He had but the one mission, that of making his regular report to the Republican headquarters concerning the invasion of Populism into the Democratic ranks. The reports brought by General Coxey on this occasion are said to have been very encouraging. He has been making a general canvass of the situation, and believes that the Populist vote this fall will be astonishingly large. In his service as a free worker for the Republican cause he has been devoting nearly all of his time to the Democratic districts. It has been his effort to leave the Republican votes as nearly undisturbed as possible and recruit Populism from the Democratic party. It is said that he now boasts the Populists will poll not less than 100,000 votes this fall, and that 75, 000 of this will be drawn from the Democrats. He is quoted as saying that there is no doubt that the Populist vote is sufficient to defeat Governor Campbell. These statements from the guiding star of the Republican State Committee of Populism and should awaken all Democrats to the real situation, and give them solemn warning of danger of being led astray. No longer is there any doubt that a vote for Coxey this fall means a vote for the Republican gubernatorial candidate.
